Alexandria, VA 22313-1450

Sir:

On February 4, 2005, the undersigned filed a "Request for Continued Examination," a "Petition for Extension of Time" and an "Amendment 'D'" (collectively, the "RCE Documents") with the United States Patent and Trademark Office ("USPTO") for the above application in response to the final Office Action dated October 5, 2004. Unfortunately, the Serial Number indicated on each of the RCE Documents contained a typographical error. The correct Serial Number for RCE Documents is 09/866,092 and not 09/886,092. Because of this typographical error, it appears that none of the RCE Documents were entered into the correct file.

Appl. No. 09/866,092

Attached is a return postcard stamped by the USPTO showing that the RCE Documents were received by the USPTO on February 7, 2005. Applicant has also confirmed that the check which accompanied the RCE Documents, in an amount to cover the fees for the Request for Continued Examination and Petition for Extension of Time, has been cashed by the USPTO.

The undersigned learned of this error on April 6, 2005, when the examiner called to inquire whether applicant intended to abandon the application. In discussing the matter with the Examiner, he indicated that applicant should this Petition. He further indicated that the case would not be listed as abandoned.

Applicant respectfully petitions: (1) that the typographical error be corrected and (2) that the documents accepted as filed in Application Serial Number 09/866,092 either as of February 4, 2005 (the date on the Certificate of Mailing) or February 7, 2005, (the date the documents were actually received by the USPTO). A duplicate copy of the RCE documents accompany this Petition.

This Petition is accompanied by a petition fee in the amount of \$130.00 as set forth in 37 C.F.R. § 1.17(h). The Commissioner is hereby authorized to charge any additional fees which may be required in this application under 37 C.F.R. §§ 1.16-1.17 or credit any overpayment, to Deposit Account No. 501395. This sheet is filed in duplicate.
